

JACK'S Program

"Just Act with Compassion, Kindness and Service"
In Memory of Jack Dockery

JACK'S Program is an initiative of the Mission Commission of the Hyde Park UMC. JACK'S Program is meant to assist homeowners with repairs or services that are needed around their home. A volunteer(s) capable of doing the job will provide all labor related services. Recipients are selected on a needs basis and the homeowners are responsible for all materials and supplies required. Recipients must personally own the home being worked on. At this time, all recipients must be members of the Hyde Park UMC.
